Very Important

Adam is **NOT** a “Mobile DJ”;
He will **not** be bringing any DJ Decks*, Sound System, Speakers,
DJ Booth, Lights, Smoke Machines, or anything else considered ‘Production’,
but *he will bring a great part!*

DJ

Please Provide –

2 x Pioneer CDJ2000-NXS-2 or CDJ3000 CD Decks, linked with Cat5 Cable
Please make sure both CDJ's & Mixer have latest stable firmware updates.

1 x Pioneer DJM-900-NXS-2 Mixer

2 x Booth Monitor Speakers, controlled from booth out-put
(Can Be via FOH Desk but must be volume controlled from DJ Mixer please)

Waist Height DJ Table

Ideally a 6' x 2' Ally Deck on 90cm Scaff Legs,
or an Equinox DJ Booth, or similar

4 x Available UK Plug Sockets

1 x Laptop Stand

1 x Wireless Mic to Direct FOH Desk (Not through DJ Mixer)

For UK Shows I can provide a DDJ-SX3 Controller & a Laptop Stand if pre-organised

I will be bringing, 1 x Macbook Pro, 1 x USB Hub, 3 x USB Cables to connect both decks and the mixer
to use with Serato DJ Pro in HID / DVS Mode with a club kit licence. With USB Sticks as back up.

Unfortunately, I can no longer use CDJ-900's, CDJ-2000's, CDJ 2000-NXS-1s / Original NXS as they are no longer supported by Serato.
